

Acrylic and PVC Seismic Shelf Lips

Clear Acrylic Seismic Lip

Black PVC Seismic Lip

Acrylic and PVC seismic shelf lips are another style of unit made by **DENNIS T. KONDO**. The acrylic comes standard in 1/4" (6mm) Clear, Smoke and Black. All Edges are polished. They are attached, in the field, by the installers, with screws. The 1/8" (3mm) Black PVC is normally factory applied at the **DENNIS T. KONDO** Facility in Santa Ana, California with a special automatic machine setup and is sold with the shelf. Shelves are available in plastic laminates and lacquer finished wood veneers.

Specifications are subject to change without prior notice. Field installation is not included. If you have questions regarding these units please call:
